

Stone Creek Ranch Closes 4th Contract for 2011

Stone Creek Ranch, represented by Maureen Murtaugh and Matthew Maschler of Regency Realty Services, LLC, closed their fourth sale of 2011 at Stone Creek Ranch, the premiere luxury estate home community in Delray Beach.

Nestled amid 187 acres of rolling green vistas, spectacular treescapes and expansive sparkling lakes, Stone Creek Ranch is one of South Florida's grandest estate home communities, providing the ultimate in privacy and privileged lifestyle. Limited to just 37 scenic lakefront home sites, Stone Creek's gently rolling terrain is already home to some of South Florida's most architecturally outstanding estates.

Several more lots are currently under contract says Maureen Murtaugh, "We are not surprised that sales have been this brisk. This is an outstanding, special community, and we are seeing signs of strength in the upscale residential real estate market in South Florida. Naturally, our buyers want the best of the best, and this is it. With the ability to choose from many fine custom homebuilders, or to bring your own builder to the community, there is simply nothing better on the market. The vistas are breathtaking, and a feeling of serenity welcomes you as soon as you pass through the 24/7 manned security gate. Plus, where else will you get 2.5 acres, public water, public sewer, and natural gas in a new construction community?"
